

## Momma Pirate is Sick

On this fine morning, Marco and Polo Pirate sat in their Momma and Poppa's bedroom. They were bored.

"Let's play dress-up!" Marco says.

"Shouldn't we ask first?" Polo says.

"Our parents are probably too busy." Marco says. "They wouldn't mind if we took out their clothes for a little bit."

"I guess." Polo says.

Polo helped Marco stand on a *HUGE* stool so he could reach Momma and Poppa Pirate's clothes. --*Uh oh!*

What a mess! Marco and Polo look to see if anyone heard them.

Will they get caught?

Nope! Marco and Polo Pirate are Masters of the seas!

Oh no! The giant Octopus is going to get Marco! Look out!

Uh oh! Marco and Polo are in trouble. Poppa Pirate asks, "What are you doing in here?"

Marco and Polo tell their father it wasn't their fault. They tried to ask him but he was too busy! Will they get in trouble?

Yes.

Poppa Pirate looks sad. "Today Momma pirate is sick," He says. "Please be quiet and let her rest. I'll need you two to be in charge of the boat while I take care of Momma.

Just remember: ask me if you need any help."

Marco and Polo celebrate! *Quietly*. Marco takes charge as the fearless Black Jake! Polo is Pink Jacey! They dash along the deck while a band of one-eyed sharks attacks the boat!
